PRESTIGE COLLECTION

TOPLINE PRESTIGE
L1 oak FOREST brushed
brown

By synchronising the natural structure of wood, we have created doors that embody the richness of nature. Knots, cracks and varying structures are an expression of wilderness, while at the same time emphasising the unique nature and characteristics of the wood.

Also available with
an a vertical structure!

ABS EDGE –
Colour
corresponding
to the surface

We draw inspiration from nature.

Surfaces have synchronised pores to
achieve the look of genuine SOLID
WOOD.

WHEN CHOOSING DOORS,

beware of the following: there must be a harmony between materials, colours and lines.

The main decorating style should be influenced by the room itself. When arranging furniture, do it in a way in which all elements follow a certain direction.
